

LOSE SECOND SON

Marshfield Times.—Mr. and Mrs. John Arnett received the sad news Sunday in the form of an official telegram from Adjutant Harris, Washington, informing them that their son, Private William Arnett had been killed in a fall from a train "Somewhere in France" Aug. 16.

This is a hard blow to the bereaved parents as William is the second son to give his all for the freedom of the world. Private George Arnett it will be remembered died on his way to France March 15.

William Arnett was born at Stevens Point in 1889 and came to Marshfield with his parents when but a small boy. When the call came for the Mexican border trouble he promptly answered his country's call enlisting as a member of Co. A. 127 Inf., with which organization he went overseas.
