## Funeral Saturday for Port Edwards man

**Dennis  
Johnson**

### Associated Press

Funeral services are planned Saturday in Washington, D.C., for a Wisconsin native who was killed when terrorists slammed a hijacked jetliner into the Pentagon, his family said Wednesday.

Army Lt. Col. Dennis Johnson, 48, had an office in the Pentagon near where the plane hit Sept. 11. The Pentagon has said 189 people are presumed dead in the attack.

Johnson's remains were recovered and burial will be in Arlington National Cemetery on Saturday, his mother, Elva Johnson, of Port Edwards, said Wednesday before leaving for Washington. "The family is holding up as well as can be expected," she said.

Survivors include Johnson's wife, Joyce, and two daughters, Dawn, 20, and Casandra, 16. Johnson is among seven people with family ties to Wisconsin who are missing in the attacks in New York and Washington, D.C.
