BRITISH MARCH INTO TRIPO ROMMEL JOINING VON ARNI REDS MOVE ON FROM SALS

FRESH GERMAN FORCE BROKEN

Important Ukrainian City
Threatened by Advanc-
ing Russians

MORE TOWNS REGAINED

BY HENRY C. CASSIDY
Moscow — (AP) — Soviet troops, smashing through German defense lines along the Manych waterway, have captured the railroad center and air base of Salsk, 100 miles southeast of Rostov, and dispersed fresh German forces which for a time threatened to slow the Russian advance in southwestern sectors, dispatches from the front said today.

The German defenses before Salsk failed to halt the Red Army any more than had the rearguard actions of Axis units in the central Caucasus. It was reported, and the Russian advance now was said to be proceeding in both of those major sectors at a breath-taking pace.

Red Army drives have carried to within 10 miles of the important Ukrainian city of Voroshilovgrad, drives aimed at reducing its worth as a transportation center and also at flanking Kharkov to the north.

Report Other Gains
The Red Army also reported that it took Konstantinovskaya, on the north bank of the Don River 75 miles northeast of Rostov and only a short distance east of where the Donets River flows into the Don.

Campaign lines developing along those rivers, however, fast are being outflanked by pushes along the Sal River valley, south of the Don's course, and down from Kamensky, west of the northern Donets valley.

Lee Merkel is Awarded Purple Heart Decoration

The decoration of the Military Order of the Purple Heart has been awarded posthumously to Sgt. Leander (Lee) Merkel, who "made the supreme sacrifice in defense of his country," according to word received yesterday from the War Department by his parents, Mr. and Mrs. Ed Merkel, 714 W. Blodgett street.

Sgt. Merkel, 29, was killed in action on the New Guinea battlefield last Dec. 7, his parents had been informed Dec. 28.

Forward Citation
An engraved certificate will be forwarded, along with an engraved medal, in about two weeks by the commanding officer of the Philadelphia Quartermaster Depot yesterday's letter stated.

The Purple Heart decorations are awarded out of respect to the memory of Gen. George Washington to those serving in any capacity, who are wounded in action, killed in action, or died as a result of action.

Order Founded in 1782
The Military Order of the Purple Heart was founded by Gen. George Washington at Newburgh, N. Y., Aug. 7, 1782, as a reward for "singular meritorious action," and revived by President Hoover Feb. 22, 1932, the bicentennial of Washington's birth.

The original badge consisted of purple sprigged silk, edged with silver braid, and was sewn on the left breast of the uniform coat. The new decoration is a heart-shaped medal bearing a bust of Gen. Washington on a field of purple enamel.

Method Likely

Washington — (AP) — Additional revisions in the established methods of marketing and distributing food appeared imminent today as the Government pressed a search for new economies in converting farm raw materials into products for the consumer.

The principal objective of the economy hunt, Agriculture Department officials said, is to find ways to boost farm prices when necessary to encourage needed
